

How YOU LOOK IS OUR BUSINESS.

Creating your personal style is an important process. It takes time to understand who you are, what you want, and how it makes you feel. That's why we at Salon Christopher deliver the utmost in personal attention—and why we are never through until you're satisfied.

Our owner-stylists Chris Moore & Chris Angelastro share a combined 40 years of experience. Together they have worked to design a diverse menu of professional services at prices affordable to every client. More importantly, they have assembled an expert staff of experienced stylists whose only priority is your satisfaction.

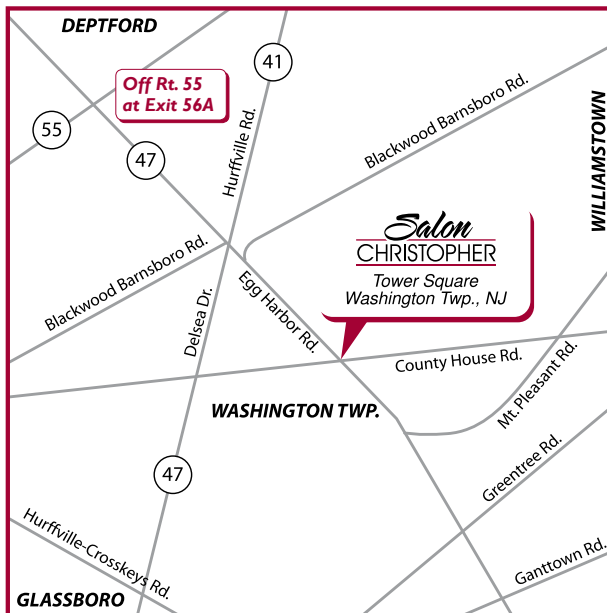

All our hair and beauty specialists are expertly trained to help you make style decisions that are most appropriate to your needs. Salon Christopher caters to the tastes of every customer—young and old, traditional or bold—with the same focused level of service.

Your individual style can be—and should be—all your own. But as long as you're here, it's our business too.

*W*ELCOME TO SALON CHRISTOPHER.
